## Abstract

This template is provided to help you to prepare your abstract for submission to **minEquMax 2019**. You should compile your contribution using pdfL<sup>A</sup>T<sub>E</sub>X. The abstract must be written in English. Remember: **one page maximum**.

The final tex file of your abstract must be submitted through the Conference website following the instructions given in the area “REGISTRATION AND SUBMMISIONS”. Abstract submission deadline is **8 March 2019**.

The **file name** should have the following pattern: **First author’s last name.minEquMax.tex**. In case of multiple submissions, use 1, 2, 3... after the last name in the file name.

The section **References** is optional. If you include this section, the papers or books in the reference list must be cited in the text. The citation should appear in square brackets “[1]”.

**Keywords:** *Template, instructions.*
