IUCr Scientific Freedom Policy Statement. *The Organising Committee of To.Sc.AI'And shall observe the basic policy of non-discrimination and affirms the rights of scientists throughout the world to adhere or to associate with international scientific activity without regard to such factors as ethnic origin, religion, citizenship, language, political stance, gender, sex or age, in accordance with the Statues of the International Council for Science.*

At this meeting no barriers will exist which would prevent the participation of bona fide scientists.
